

## DC Veterans Affairs Medical Center

### On your first day

Park at the old Soldier's Home satellite lot on your first day (star on map below).

In Waze app, enter "D.C. VA Medical Center Satellite Parking." There will be a shuttle that will take you to the VA, which take about 5 minutes. Shuttle runs from 6am to 8pm.

### How to get Employee Parking at the VA

1. You must have an active VA badge
2. Please go to the DC VAMC Security Office (in the atrium where you got your VA badge) with the following: VA ID, Vehicle Registration Form, car registration, proof of insurance, and driver's license. You will get a parking decal sticker that you must place on your windshield.
3. Once you have gotten the decal, use your VA badge to enter the employee parking garage.
